Taking the Next Step:
Interventions for Fetal Alcohol Spectrum Disorders (FASD)

Thursday, Oct. 21, to Saturday, Oct. 23

Emory Conference Center Hotel
1615 Clifton Road
Atlanta, GA 30329-4017

Visit www.emory.edu/MSACD for conference details.

Call 404-712-9815 or e-mail mlynch@emory.edu for additional conference information.
Be part of the solution.

Our presenters will make you part of the conversation, as we discuss the latest interventions and treatments for fetal alcohol spectrum disorders (FASD). Take this opportunity to share your thoughts about the new ideas for future programs and methods to help this underserved community.

Presenters and panel members include the leading researchers and practitioners of FASD interventions from across the United States and Canada, as well as experts who have designed interventions for children with other disabilities. Workshops about specific intervention methods are available.

Join us for this exciting leadership conference and help us advance the understanding of FASD.

Continuing education credits have been applied for through the National Association of Social Workers, Georgia Chapter and the Georgia Psychological Association.

Funding for this conference provided by the Spray Foundation and the Centers for Disease Control and Prevention.
